With reference to your letter No A5-C 1969 dated 9-2-1934 in regard to the granting loans for the purpose of providing electric lights to the owrers of the buildings, I beg to state that the subject was placed before the Municipal Council at their meeting held on the 28th March 1934 and the Council resolved that the scheme was good but felt that it was not necessary to take a loan from Government as the Municipality had sufficient funds and the council was in favour of granting loans for the purpose out of its own funds provided the instalments could be recovered by the - Electric Department along with its monthly bills

An extract from the proceedings of the meeting of the Municipal Council is herein enclosed

I request that the sanction of Government may kindly be obtained for the above resolution of the council
